BEAVER CREEK, Colo. -May 2, 2006 -Golfweek's 2006 State by State Guide to America's Best public-access courses confirms what many members and resort guests have already discovered: Red Sky Golf Club is among the best courses in Colorado and North America.

Golfweek lists America's Best public-access courses in each of the fifty United States. Red Sky earned the honors of second and third highest rated courses in Colorado and is the only club in Colorado with two courses on the list. Overall, the Norman Course at Red Sky earned second position and the Fazio Course was third on the ten-club list.

"It's an honor to earn such distinguishing status from Golf Week. This success is a testament to all of the hard work of our facilities staff and the loyalty of our members and guests," said Jeff Hanson, Director of Golf at Red Sky Golf Club.

Earlier this year, Golf Magazine ranked both courses in the Top Ten Golf Courses in Colorado. Golf Digest also ranked both courses in the top 10 of their 'Best in State' rankings for 2005-06.
